## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-16 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1, 6, 7, 11, 12 and 16 are allowable because the prior art references used fail to teach or suggest, either alone or in combination the following limitation "the first contact terminal being connected with the second contact terminal of the connector only when the flexible display is drawn out from the housing main body through the hole for use of the flexile display".
3. Claims 2-5, 8-10 and 13-15 depend upon claims 1, 7 and 12 respectively and are therefore allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
